- Financial Management: 40%
- Board Development: 36%
- Strategic Planning: 59%
- Program Evaluation: 57%
- Leadership Development: 56%

PATHWAYS PROGRAM
The Pathways Program is a six-month engagement focused on implementing four key organizational management practices leading to increased stability and readiness for additional capacity-building. In 2016, DC Promise Neighborhood Initiative (DCPNI) contracted with Fair Chance to provide a Pathways engagement with two organizations in the Kenilworth-Parkside community

Both organizations reported a total average increase of 48% across all 4 competency areas.
